IMMEDIATELY

951 UM STUDENTS  
ON HONOR ROLL

MISSOULA--

University of Montana registrar Leo Smith has announced the honor roll for Fall Quarter 1968 at the University.

To be eligible for the honor roll a student must accumulate a minimum 54 grade points, which are determined by multiplying the number of credits given for the course by the number of the grade received, with an A counting four points, a B three, etc. Thus, a three credit course with a grade of B would equal nine grade points.

Of the 951 students listed, 13 per cent or 125 garnered all A averages for the quarter. Missoula had the greatest number of students on the list, 161, followed by Great Falls with 86 and then Billings 43, Helena 42, and Butte 36.

Straight A students are marked with an asterisk (\*).
